The management team is committed to:

- Continually improve the effectiveness of the IMS
- Ensure that all interested parties needs and expectations are determined and fulfilled
- Establish the Quality Policy and set defined and measurable objectives
- Ensure copies of the Quality Policy are made available to all members of staff
- Ensure that the Management Reviews set and review the quality objectives, and reports on the Internal Audit results as a means of monitoring and measuring the processes and the effectiveness of the IMS
- Provide the funds and resources necessary to achieve the quality objectives
- Ensure copies of the minutes of Management Reviews, or extracts thereof, are provided to individual members of staff in accordance with their role and responsibilities as a means of communicating the effectiveness of the IMS
- Collate customer feedback, wherever possible.

We describe specific responsibilities for our people in their role descriptions and we set out our general responsibilities in our HSEQ standards.

This policy will be briefed to all staff throughout the organization, and appropriate information, instruction and training will be provided so they know their responsibilities and are competent to work, and we hold everyone accountable for their behaviour.

This policy will be reviewed at least annually for its effectiveness.
