

QUALITY POLICY

Pro Steel Engineering Limited is committed to providing the highest levels of service and delivery to all of our interested parties. The review of service and delivery will be ongoing to ensure that the requirements of interested parties are maintained and, wherever possible, such requirements and expectations are exceeded ensuring continual improvement.

The implementation of this policy is supported by the commitment of the management team. To ensure continuous improvement is adopted, the company will establish quality objectives that support our commitment and measure our performance against both internal and external standards.

This policy will be briefed to all staff throughout the organisation and appropriate resources, training and mentoring will be provided to meet these commitments.

This policy is also applied to all activities of the business that affect product quality, and will be audited, reviewed and updated least annually for its effectiveness.

Signed

Richard Selby
Director
